Re: Finnish Patent Application No. 90 0903
Reddie & Grose File 30187 (Our Ref. PM 1349)

Dear Nick:

I have your letter to Beverly Monroe dated June 9, 1992. It seems that our associates should be able to overcome the Examiner's rejection by making the same or similar arguments that we have made in the United States and in other foreign countries. I trust that you have the necessary papers containing these arguments.

Other than making these brief comments, there seems to be little that I can do to assist you at this point. If you do require further assistance, please let me know.

Very truly yours,

John M. Hintz
